When you arrive at the Club, please take your name tag from the board and give it to the drawmaster along with a Loonie. Your Loonie pays for the Snacks, Coffee, Four Ender prizes, Prize money for Special Events, and also helps subsidize the special event meals (if the bank balance permits).

Note: If you are participating in the Interclub games at home, please follow the Loonie instructions as you would for regular curling.

Four Enders

If your team gets a Four Ender, please place the name of your Skip into the container provided on the window sill out on the ice. A draw will be made after the game up in the Bar area. If your team wins the draw, each player on your team receives a Toonie.

Hogged Rocks

If your rock doesn't reach the far Hog Line, please blow the horn provided, and place your name and a quarter into the container provided on the window sill out on the ice. A draw will be made after the game up in the Bar area.
